

BUFFALO STATE

The State University of New York

Public Presentation of the State Board for Speech-Language Pathology and Audiology

You are invited to attend a public presentation by New York State Education Department State Board for Speech-Language Pathology and Audiology at SUNY Buffalo State. This is an opportunity to obtain an overview of the regulatory structure of your profession in New York, and an open forum to discuss important topics in the profession with members of the New York State Board. There is no charge for this event and .15 continuing education credit will be awarded for ASHA certification and New York State license registration.

When: Thursday October 19th, 4:30 – 6:00 pm

Where: Bulger Communication Center North, SUNY Buffalo State, 1300 Elmwood Avenue - Buffalo, NY 14222

Objectives

- Overview of state regulatory structure
- Steps to obtain a license in speech-language pathology and audiology
- Some threshold issues for each profession
- What to expect “down the road”
